- Developed projects for various financial services clients of the company using various EDI standards such as X12, EDIFACT, XML, VDA, and EIAJ as well as customized mapping standards.
- Performed QA Testing on assigned project tasks where applicable.
- Analyzed mapping specifications, defining mapping conditions and scenarios.
- Trained Electronic Forms Solution Team on Stylesheets development.

Seminars Attended

Adobe CQ5, August 2012

Logica Philippines Inc., Taguig

Enterprise Content Management (AIIIM) Master Class, June 2012

Logica Philippines Inc., Taguig

Information Technology Infrastructure Library (ITIL), October 2011

Logica Philippines Inc., Taguig

Livelink (Content Server), July 2011

Logica Philippines Inc., Taguig

Alfresco Training, July 2011

Logica Philippines Inc., Taguig

Enterprise Content Management (ECM) Master Class, June 2011

Logica Philippines Inc., Taguig

Supply Chain Management, May 2010

GXS Philippines Inc., Makati

WordCamp Philippines, October 2010

De La Salle - College of Saint Benilde, Manila

Refactoring Seminar - Association of Information Management, November 2009

De La Salle - College of Saint Benilde, Manila

Form, Function & Class - Philippine Web Design Conference, July 2009

Asian Institute of Management, Makati

Dreamweaver ® Advanced Techniques, October 2008

Adobe Asia, Singapore

IBM RUP Seminar - School of Management and Information Technology, November 2007

De La Salle - College of Saint Benilde, Manila

Membership and Affiliations

Philippine Web Designers Organization, 2010-present

- Community Manager

Philippine Taekwondo Contingent

- Team Captain for two years (2006-2008)

Philippine Taekwondo Association, 1997 - present

Speaking Engagements

HTML5 Device API, February 2014

Ateneo De Manila University, Quezon City, Philippines

Java Server Pages Training, July 2012

Logica Philippines Inc., Mc Kinley Hill Taguig

Stylesheet Training, January 2011

GXS Philippines Inc., Makati

Wordpress Seminar - TomWeb Organization (2010)

University of Santo Tomas, Manila

Certifications

Information Technology Infrastructure Library Certified, October 2011
